AQUA-TUFF

**URETHANE WOOD FINISH
WATER-BASED**

www.purozone.com

PRODUCT DESCRIPTION

Aqua-Tuff is a water-based urethane/acrylic wood floor finish which provides long-lasting beauty and protection to wood floors. It's a single component product that is easily applied with most applicators. It offers excellent black mark, scuff and oil resistance and is uniquely restorable with high speed burnishing equipment.

FEATURES

- Single-component formula means no pot life and no mess
- Contains reactive polymers that offer durability & appearance equal to or greater than oil-modified products
- Large area coverage: up to 1000 sq. ft. per gallon
- 1-hour dry time between coats under normal conditions
- Slip-resistant - UL classified
- **Only 24-hour gym down time**

RECOMMENDED FLOOR SURFACES

- Suitable for oak, maple and parquet floors
