

Aqua Clean™

Neutral Wood Floor Cleaner

<i>Cleaner Type</i>	Neutral Cleaner
<i>pH</i>	6.5 - 7.5
<i>Fragrance</i>	Fresh
<i>Color</i>	Clear green
<i>Flammable</i>	No
<i>Stability</i>	One year, minimum
 <i>Packaging</i>	 4x1 gallon case

Formulated specifically for sealed, wood-floor surfaces, Aqua Clean™ does an excellent job removing soils, yet contains no harsh ingredients to leave a film. Works great on other hard surfaces not harmed by water, leaving them clean and clear.

Aqua Clean has a pH-neutral range and is non-corrosive, so it makes an excellent choice for daily damp mopping and autoscrubbing. This specialized formulation preserves your finish to lengthen the time between refinishing, reducing your budget for both labor and other restorative chemical use.

This product is so versatile it dilutes clearly without precipitate in hard water, either hot or cold. Specially formulated to not clog orifices in automatic scrubbers or pressure sprayers.

A product developed by experts with generations of floor care experience, Aqua Clean is a best choice in daily floor care.
