<i>Biodegradable</i>	Complete
<i>Flammable</i>	No
<i>Stability</i>	One year, minimum
<i>Freeze/Thaw</i>	3 cycles
<i>Specific Gravity</i>	1.046

*Packaging* 4x1 gallon case  
5-gallon pail

Bond-Ayd is a concentrated floor care product formulated with organic acids to condition and neutralize floor surfaces prior to application of seals or floor finishes.

Bond-Ayd incorporates focused wetting agents to help penetrate even the smallest cracks and crevices for a totally neutralized floor prior to finish application. This product is an important ingredient to achieving superb floor-finishing results that will last longer.

Bond-Ayd, mixed at 2 oz./gallon of water, is an excellent agent to remove ice melt residue from resilient floors (vinyl, ceramic tile, finished hardwoods).
