Packaging 4x1 gallon case

Quick Prep™ is a high-speed floor cleaner and maintainer/restorer designed to achieve a “wet look” shine from all properly finished gym and wood floors. It offers exceptional productivity to reduce your labor investment. Just dust mop the floor, autoscrub with Quick Prep floor cleaner and maintainer, let dry and burnish to an amazing brilliance.

Quick Prep is non-film forming with no worry of buildups or dulling. Reduces need for heavy restorative work. Economical 2 ounce dilution rate per gallon makes this a great choice for regular use. Slip-resistant formulation, meeting ASTM standards.
