

Quickso™ Neutral Detergent

Safe for all types of surfaces including painted walls, ceramic tile, sealed wood floors and surfaces, laminate tops and counters, porcelain, chrome, stainless steel. Self-rinsing formula leaves no deposits or residue, so you get a clean, final finish to your work.

Mix Quickso™ with either hot or cold water. Does not streak, yet cleans away soils effectively. Before finishing floors after cleaning with Quickso, rinse the floor with Bond-Ayd™ to neutralize and establish perfect conditions for applying finish. Follow label instructions on each product carefully.

Quickso does the work on many cleaners, so it helps conserve your budget.
