Sparkall™ is a highly concentrated neutral detergent. Formulated to do a faster job with special care for hard surfaces. Selected surfactants, builders and wetting agents to provide a perfect cleaning balance regardless of water hardness.

Clean all types of hard surfaces with Sparkall. It leaves no films behind and is great for cleaning finished floors, unfinished floors, counters, bed rails, plastics, doors and handles, desks and equipment with greasy or animal fat soils to remove. In the kitchen and meat plant, this product is excellent for emulsifying grease and animal fat. A complete cleaner.
