

# Success™

## High-Performance Floor Finish

Success™ is a 20% solids finish with a long history and a new formulation for today's demanding standards.

An all-purpose, all-system finish with extreme lay-down gloss, Success uses advanced polymer technology to provide excellent wear properties and reduced stripping. Use with no-buff, spray-buff and high-speed systems. Covers up to 3,000 s.f. per gallon.

Success is also fast drying. Just 20 to 30 minutes under normal humidity.
