

PUR-O-ZONE

Environmental Cleaning Solutions

SUCCESS

HIGH PERFORMANCE FLOOR FINISH

FEATURES

- All-purpose, all-system finish with extreme lay-down gloss.
- Uses advanced polymer technology for extreme gloss and durability, excellent wear properties and reduced stripping through a dual cross-linking system.
- For no-buff, spray-buff and high-speed systems.
- Self-sealing formulation.
- Large area of coverage - up to 3,000 sq. ft. per gallon.
- Fast drying - 20 to 30 minutes under normal conditions.
- Slip-resistant.
- "Green Finish" meets or exceeds government VOC regulations for clean air.

PROPERTIES

Water Clear Polymers •
High Gloss •
High Solids •
Scuff Resistant •

Type Metal-Interlocked Acrylic
Form Opaque Liquid
Odor Bland
Color Milky White
Film Clarity Clear
Weight per Gallon 8.57 Lbs.
pH 8.0 - 9.0
Floor Solids 20%
Storage Stability Min. 1 Year
Freeze/Thaw Passes 3 Cycles
V.O.C. <260 gm/l

* Properties are typical and subject to usual manufacturing tolerances.

PUR-O-ZONE

Environmental Cleaning Solutions

Preparation: Strip and remove all existing finish from floor with Magnum stripper. Neutralize floor with Bond Ayd Neutralizer, then thoroughly rinse the floor with clear, cold water until the floor is totally residue free.

Application: If using a sealer, apply two coats of seal, and up to five coats, with a minimum of three coats of Success. To achieve the maximum coverage with Success apply with a flat finish mop, (product order #D8318). If not using a sealer, apply five coats of Success finish.

Maintenance: Dust mop daily with a properly treated dust mop or microfiber dust mop.

PAD RECOMMENDATIONS

Autoscrub	Scrub & Recoat	Burnishing/Electric	Battery & Propane
Red Pad	Blue Pad	Tan Burnish Pad	Natural Blend White Pad

PRODUCT SAFETY INFORMATION

- Success Finish is slip tested to conform to ASTM D2047 standards.
- Using Success Finish with proper maintenance procedures can assist in eliminating slips and falls.
