KNOWS THE IMPORTANCE
OF KEEPING FLOOR
MACHINERY RUNNING
COST EFFECTIVELY

“Schools have been under tremendous pressure to cut costs and provide good results with fewer people and lower budgets. We’re no exception, and times have been challenging.

***PUR-O-ZONE** has helped us keep our parts and service budget in line. We have utilized their Preventive Maintenance program to good advantage. We continue to reduce down-time and increase machine longevity with new methods **PUR-O-ZONE** has helped us employ and with assistance in making the relevant choices for our conditions.*

Their turn-around times have always met our expectations, and we receive quick response to our service needs. Their staff is experienced and efficient.

*The customer service **PUR-O-ZONE** provides us not only with our machinery, but overall custodial management challenges, is second to none.”*
